St Mary's Accessibility Statement – SITS

Contents

Overview

This statement applies to the St Mary's University SITS and Evision applications:

- SITS Application Form - https://www.stmarys.ac.uk/application-process/undergraduate/international/application-links.aspx
- SITS Evision - https://evision.stmarys.ac.uk/urd/sits.urd/run/siw_sso.openid_response

We want as many people as possible to be able to use these applications, including

- Zoom in up to 400% without the text spilling off the screen
- Navigate most of the website using just a keyboard
- Navigate most of the website using speech recognition software
- Listen to most of the website using a screen reader

How accessible are these applications

We know that some parts of these applications are not fully accessible as described in the non-accessible content section.

Feedback and contact information

We're always looking to improve the accessibility of the applications. If you find any problems not listed on this page, need information on this website in a different format (such as an accessible PDF, large print, easy read, audio recording or braille) or think we're not meeting accessibility requirements, please email web.accessibility@stmarys.ac.uk.

We'll consider your request and get back to you in ten working days.

Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). If you're not happy with how we respond to your complaint, contact the Equality Advisory and Support Service (EASS).

Technical information about this Applications accessibility

We are committed to making all our web-based applications accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

Compliance Status

This website is partially compliant with the Web Content Accessibility Guidelines (WCAG) version 2.1 AA standard, due to the non-compliances and exemptions listed below.

Non-Accessible content

The content listed below is non-accessible for the following reasons.

SITS Application Form

SITS Application Form – Online Applications ("Acting application")

All failed instances are listed below:

Failed Tests:

Landmarks: Primary Content Level A: 1 Failed

- The "main" landmark must contain all of the page's primary content – WCAG 1.3.1, WCAG 2.4.1

    o Comment: Page has no "main" landmark containing primary content

Links: Link Purpose Level A: 2 Failed

- The purpose of a link must be described by its link text alone, or by the link text together with preceding page context – WCAG 2.4.4
    o Comment: Links with text ("Accessibility", "Privacy and cookie information") all navigate to the same web page and should have the same link text or be changed to point to different locations

Custom Widgets: Instructions Level A: 1 Failed

- If a custom widget has a visible label or instructions, they must be programmatically determinable – WCAG 1.3.1
    o Comment: Alert to contact helpdesk has no accessible name or description.
