to book your
place

Please join us for St Mary's second pedagogy conference where we will share stories of what educators do and how they discover more about it.

Teachers from schools and universities will engage in discussion groups, research presentations and posters, and workshops to explore the beguiling pedagogy that captures the imagination of learners.

If you have a story to tell, submit a proposal for a poster, workshop or presentation place in the programme. Please click the code for contributors.

You're also welcome to attend without presenting. Simply register to attend by clicking the QR code for attendees.

We look forward to seeing you at St Mary's. If you have any questions, please contact Christine Edwards-Leis on christine.edwards-leis@stmarys.ac.uk
