University  
Twickenham  
London

## Important: Waldegrave Road Closure

The Radnor Gardens end of Waldegrave Road and Tower Road are closed due to planned roadworks (marked on the map). Waldegrave Road remains open via Teddington High Street and access to St Mary's University Twickenham.

The easiest way to access campus by car, is via:

- Waldegrave Road from the Teddington High Street mini-roundabout

OR

- Strawberry Vale Road, turning left into Waldegrave Park Road and right into Waldegrave Road (coming from Kingston Upon Thames) If you are coming from the direction of Twickenham, by Radnor Gardens you can either drive along Strawberry Vale, turning right into Waldegrave Park and onto Waldegrave Road as detailed above or:
  - Turn right into Riverview Gardens,
  - left onto Radnor Road,
  - right onto Tower Road
  - and left into Waldegrave Gardens.

Public Transport – please check your routes on the day

- Access to campus via train at Strawberry Hill station hasn't been affected.
- Bus routes 33 and N33 are diverted between Cross Deep and Broad Street/Teddington in both directions. The buses miss the stops Strawberry Vale, St Mary's University, Southfield Gardens, Shacklegate Lane, Teddington Park Road and Teddington Library. If you are travelling by bus, please plan your route carefully as this may include some walking.
